

Christmas Raffle

Our Christmas Raffle is Coming!

We are excited to announce that we will be having a Christmas Raffle this year. A student from every class will win a prize. Tickets will be on sale from Monday. We ask families to donate small items and then we will be bundle them up as a prize package. Money collected will go towards our fundraising totals. Parent helpers can support the wrapping and packaging of hampers for each grade.

Acknowledgement to Country

We are learning on Wurundjeri Country and in the spirit of reconciliation, Lalor North Primary School acknowledges the Traditional Custodians of the land on which we are learning. We pay our respects to their Elders past, present and emerging and extend that respect to all Aboriginal and Torres Strait Islander peoples.

Our School Values

Honesty

We communicate openly and work together to solve problems. By demonstrating honesty and acting with integrity we build trust, which enables us to collaborate, to take greater risks with our learning and to be more resilient when things go wrong.

Respect

We respect ourselves, our school and each other, and understand that our attitudes and behaviour have an impact on the people around us.

Unity

We have many languages, come from many backgrounds and are a school of many differences, but we speak with one voice, as one school. We develop a sense of connection and belonging within each part of our school, and across the whole school.

Success

We help each other learn so that everyone experiences success every day. Success means doing new things, learning new skills, finding new ways of thinking and solving interesting, complex and challenging problems.

Resilience

We know trying new things, experiencing challenges and bouncing back from adversity are central to life and to learning. Only by building our resilience can we experience strong levels of growth.

Principal's Message

Dear Families of the Lalor North Primary School Community,

It was a very sad and heartbreaking week this week when we shared the news of the passing of one of our students, Dejan Mirceski. Our thoughts are with his family and friends during this incredibly difficult time. The Macedonian Bilingual student community gathered to say their goodbyes as the hearse drove by our school on Wednesday morning. As a school community, we are here to support one another, and we encourage everyone to reach out if they need assistance or someone to talk to. We will honour and remember our Dejan, and he will always hold a special place in our hearts.

Our Condolences

Students arriving to school before 8.30am

A friendly reminder to all parents for the safety and well-being of our students, please **do not** drop your children off at school too early. Our gates are open from 8:35am, and staff begin outdoor supervision at that time. Arriving before this can leave students unsupervised, which is unsafe. We kindly ask that children arrive no earlier than 8:35am to ensure they are properly supervised. Your cooperation helps us maintain a safe and secure environment for all students.

World Teachers' Day

We celebrated World Teachers' Day last week, to recognise the incredible dedication, passion, and hard work of our teachers at Lalor North Primary School. Every day, they go above and beyond to inspire and support our students, creating an environment where learning thrives. Their commitment to fostering curiosity, creativity, and resilience shapes the future of our community. We are deeply grateful for their unwavering efforts and the positive impact they have on each child's educational journey.

THANK YOU!
thank you!

Bilingual Teachers' network @ Lalor North PS

We were thrilled to host the latest Bilingual Teachers' Network meeting at our school on Thursday, bringing together 28 bilingual leaders from various bilingual schools across Melbourne. This collaborative event showcased the strengths and successes of bilingual education, with a special focus on our Greek and Macedonian Bilingual Programs.

Throughout the day, attendees engaged in rich discussions and shared insights into best practices for teaching and learning in bilingual settings. Our programs were highlighted for their innovative approaches in fostering language proficiency and cultural understanding, with a strong emphasis on how bilingualism enhances academic achievement and cognitive development.

The event also provided an opportunity for teachers to connect and learn from one another, exchange strategies for language acquisition, and explore ways to support students in becoming confident, multilingual communicators. It was an inspiring and productive day filled with valuable discussions, networking, and a shared passion for language education.

We are proud to be part of this vibrant community of bilingual educators and look forward to continuing to collaborate with our peers to promote excellence in bilingual teaching across Melbourne. It was truly a day of language, learning, and celebration!

Outdoor Table Tennis is Installed !

We are thrilled to announce that our new outdoor table tennis table has finally been installed and is ready for our students to enjoy! This exciting addition to our school playground is the result of our successful fundraising efforts and the fantastic initiative of our Student Representative Council, who selected this fun and active outdoor activity. The table tennis table will provide a great opportunity for students to stay active, improve their skills, and have fun together during recess and lunch breaks. Thank you to all who contributed to making this happen—our students are sure to have a blast with this new addition!

AND THE **WINNERS** ARE...

Congratulations to Eve, Ivy and Amen...Our Young ICT Explorers Winners!!

We are excited to congratulate Eve, Ivy, and Amen for their outstanding achievements in Victoria's recent innovation and creativity competition! Their remarkable talent, hard work, and inventive ideas stood out among many applicants, earning them well-deserved recognition.

Their creative projects have not only demonstrated impressive skills but also showcased their ability to think outside the box and inspire others. We are incredibly proud of their accomplishments and excited to see where their creativity takes them next. Well done, Eve, Ivy, and Amen – you are truly inspiring! We are super Proud of You!

Christmas Raffle - Our Final Fundraiser for the Year!

As we wrap up the year, we're excited to announce our Christmas Raffle, our final fundraising activity for 2024! Families are invited to donate Christmas-themed items, toys, decorations, books, or trinkets to help create beautiful hampers. Each class will have a hamper up for grabs, making this a fun way to spread holiday cheer. We also welcome parent volunteers to help us assemble the hampers – your support is greatly appreciated!

Whittlesea Crossing Supervisor Award Nomination

We wanted to share with you our application that we submitted for Angela, our crossing lady at Derna Street for a significant number of years of service working with our school community. We certainly believe she deserves the recognition, so we have submitted an application to the Whittlesea Council. Here is our application from our school community... Our fingers are crossed!!

Whittlesea Council Nomination for School Crossing Supervisor

Name of the Person Nominated: **Angela Sapardanis**

School Crossing Number: **Derna Street Lalor**

Location of Crossing: **Lalor North Primary School**

I am pleased to nominate our dedicated school crossing supervisor, **Angela Sapardanis**, for recognition of her outstanding service and commitment to the safety and well-being of our school community. With over 40 years of experience in this role, Angela has been an integral part of our school community, supporting generations of children as they learn how to cross safely.

Punctual, professional, and reliable, Angela ensures that the children arrive at school and return home safely each day. Her consistent presence and attention to detail made her an invaluable part of our daily routine. She has built strong relationships with students, staff, and parents alike, always greeting everyone with a friendly smile and a positive attitude, no matter the weather or challenges of the day.

Angela Sapardanis has not only contributed to the safety of our children but also to their social and emotional growth. She takes the time to listen to the children's stories, offering encouragement and support to learn, creating an environment where children feel valued and heard. Her interactions with students go beyond the crossing; she is a trusted and caring figure in their school life.

She is also a proud parent and grandparent, with three of her own children and two grandchildren having attended the school, Angela has helped nurture the school community for decades. Her commitment to safety, her strong connections with families, and her unwavering positivity make her a cherished member of our school. We are fortunate to have had her serve as a role model for so many, and we wholeheartedly recommend her for recognition.

Thank you for considering this very significant nomination for our school community.

Parent Payments for 2025 – Are Now Due!

How Parent Payments Support Our School

Your contributions help fund a variety of key programs and services that directly impact students, including:

1. **Classroom Resources and Technology**

Parent payments support the purchase of new books, learning materials, and up-to-date technology, ensuring that our classrooms remain well-equipped with the tools needed to engage and challenge students. All of our devices are a result of the parent payments contributions. Your child enjoys their own laptop at school that is in excellent up to date working order. This is due to service delivery and maintenance.

2. **Extracurricular Activities**

From sports' teams and music programs to art clubs and academic competitions, your support helps provide enriching extracurricular opportunities that help students explore new passions and build important life skills.

3. **Excursions/Incursions and Enrichment Programs**

We believe in the value of hands-on learning experiences. Parent payments help fund excursions and incursions, visiting speakers, and other special enrichment programs that extend the classroom into the real world.

4. **Wellness and Support Services**

We also use funds to ensure that our students' mental health and social-emotional needs are met. Programs, such as speech pathology services, peer mentoring, and social skills workshops help build a supportive, caring school environment.

5. **Facility Improvements**

Your contributions help us maintain and improve our school facilities, ensuring that students have a safe and inspiring environment in which to learn and grow. We are currently expanding our play spaces to ensure there is ample room to run and play. The new spaces are a result of the parent payment contributions.

A Partnership for Success

The partnership between our school and families is essential to providing a well-rounded, high-quality education. Parent payments are just one part of that partnership, and your support helps ensure that we can continue to offer the programs and resources that make Lalor North Primary School a special place for our students.

Thank you for your support to continue to improve and create the best school for our students.

Elizabeth Bryan, Kim Rotondi and Amanda Lee

FUNDRAISING @ Lalor North PS

Our school is working together with our student representative council (SRC) as well as with the school council and school community to raise funds for lots of exciting projects and improvements...

Year 3/4 Sustainability Incursion

On Wednesday the 6th of November, the Year 3/4 students of Banksia 1, Banksia 5 and Wattle 5 had the opportunity to attend an incursion focused on the Inquiry topic they are currently exploring, which is Sustainability.

The students learnt all about why sustainability is important and how we can reduce waste in our local community. They also

created an item made out of entirely recycled materials.

They had lots of fun learning and creating their mini masterpieces! Well done Year 3/4's.

SUSTAINABILITY

RECYCLING WEEK

NOVEMBER 11-17TH

Last week students at Lalor North Primary School celebrated Recycling Week. Classrooms were encouraged to be more sustainable by Reducing, Reusing and Recycling. Students have been bringing in one piece of rubbish after recess and lunch to help keep our community looking amazing.

REDUCE

The idea of reducing emphasises cutting down the amount of waste created by using **fewer resources** and choosing products that have **minimal packaging**.
By reducing the amount of packaging, the strain on natural resources and the environment is decreased.

Using less packaging for lunches

Reusing materials at school

REUSE

Reusing involves finding ways to **use items more than once** instead of throwing them away. This can be done by repairing, repurposing, or donating items. Reusing helps extend the life of products, reducing the need for new resources and lowering the amount of waste sent to landfills.

RECYCLE

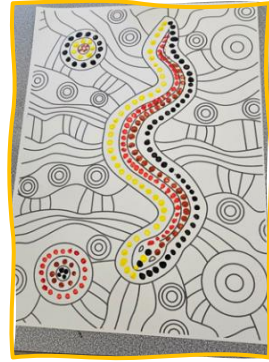

Recycling is the process of **converting waste materials into new products**. It involves collecting and **processing materials like paper, glass, plastic, and metals** to create new items. Recycling helps conserve natural resources, saving energy, and reducing pollution.

ART in term 4

Week 1 - 3 Our students worked on Indigenous Australian Art, focusing on dot paintings, all years P-6.

Weeks 4 - 6 Our Preps to Grade 2 students worked on European Art, focusing on Vincent Van Gogh's 'Starry Night'.

Our Grade 3 - 4's enjoyed creating Pablo Picasso Cubism portraits and our Grade 5 & 6 students worked on their versions of Leonardo da Vinci's 'Mona Lisa' (including B1 with grades 3-6 students)

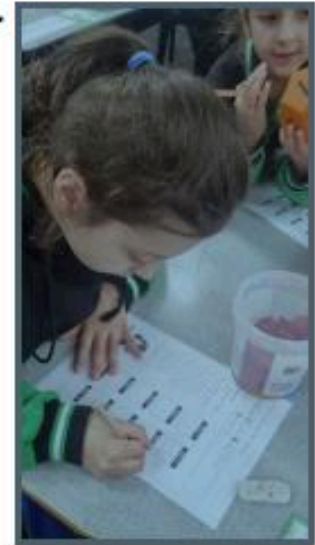

B2

Maths activity

This week, our B2 students engaged in a fun and interactive math mass-hefting activity that combined practical learning with language development.

Working in pairs, the students used their estimation skills to identify which object was heavier and practiced their Greek vocabulary in the process!

The activity was designed to help students understand weight comparisons using terms like:

- ελαφρύ (light)
- βαρύ (heavy)
- πιο ελαφρύ (lighter)
- πιο βαρύ (heavier)

The students had a great time practicing their Greek vocabulary in a hands-on way, and the activity not only helped them enhance their understanding of weight comparisons but also reinforced their Greek language skills in a practical context.

LEARNING IN WATTLE 2

Students in W2 have been learning about mass.

They have been exploring language, such as heavy, light, heavier than and lighter than.

Students learned how to 'heft' to compare the mass of common objects and shared sentences containing the new vocabulary to describe what they discovered.

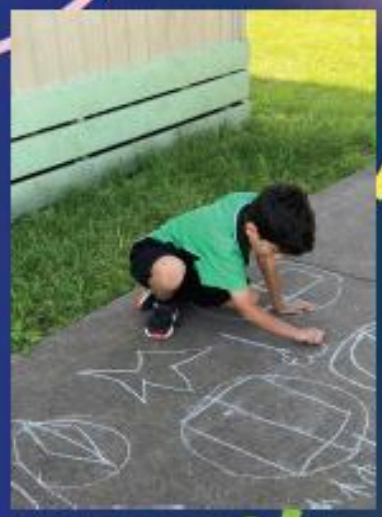

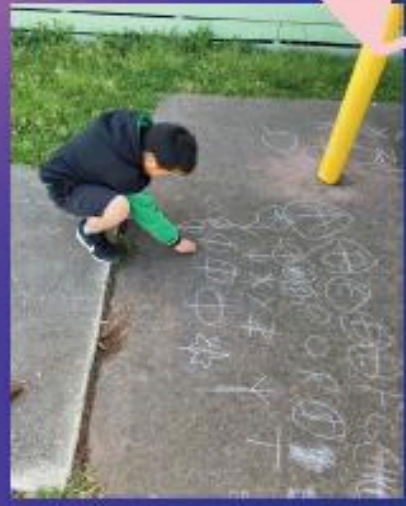

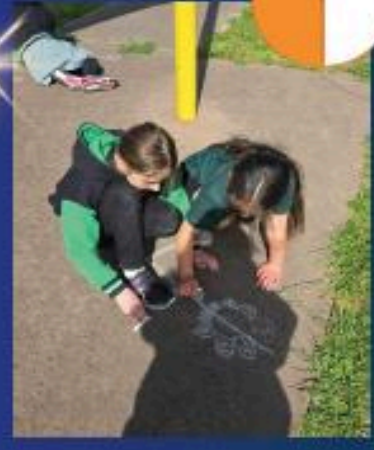

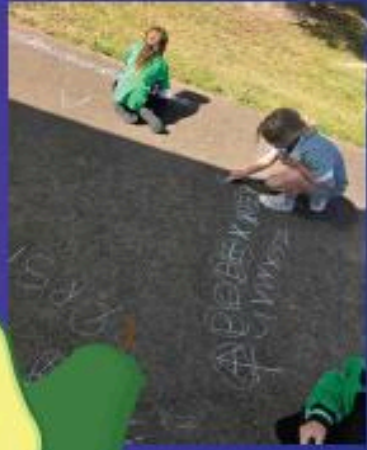

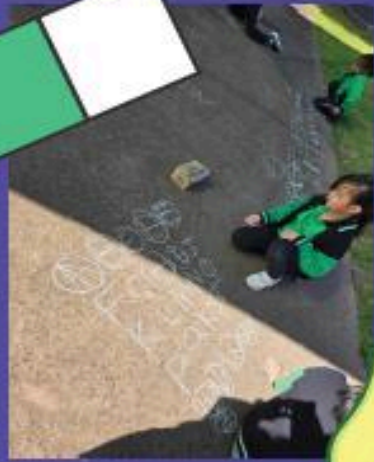

Wattle 7 & 8

Fractions

This week students in Wattle 7 & 8 explored the concept of "halves" and how halves is prevalent in everyday life. For instance, when splitting a pizza with a friend, each person typically receives half. Students enjoyed a session outside, writing the alphabet and drawing shapes that can be halved.

Students in Wattle 7 & 8 enjoyed reading 'Carla's Sandwich'. This book inspired students to create their own version of a unique sandwich. Students were very creative and thoroughly enjoyed this activity.

Congratulations

to our two winning entries in the
Young ICT Explorers Competition for 2024!

During this year students in Wattle 3 and 4 have participated in the Young ICT Explorers Competition. YICTE is an Australia wide competition that asks students to solve a global problem with the assistance of technology.

Eve - 1st Place in Victoria - Grade 5/6

Amen

A voice command robot (similar to Alexa) that can play music, play games and can tell you the weather.

DP Glove - 2nd Place in Victoria - Grade 3/4

Ivy and Isabella

A device that allows people with hearing loss to experience the joy of music through vibrations.

Amen will now represent Victoria in the Young ICT Explorers National finals later this month!

November School Saving Bonus Information

Dear parents and carers

The Victorian Government is delivering the School Saving Bonus – a one-off \$400 support for government school students from Prep to Year 12 in 2025.

From Tuesday 26 November 2024, you will receive an email from the Department of Education with your unique \$400 School Saving Bonus code.

The School Saving Bonus will help families cover the cost of uniforms, textbooks, excursions, activities and more.

If you have multiple children enrolled in Victorian government schools for 2025, you will receive one School Saving Bonus code email per child. These emails might arrive on different days. Please make sure to check your spam/junk email folder.

Parents and carers can use the School Saving Bonus code in store at school-nominated suppliers. Parents and carers can also choose to access the School Saving Bonus online system, where they can allocate part or all the \$400 bonus to use at school nominated-online suppliers or for school activities.

To learn more about the School Saving Bonus, visit [School Saving Bonus | vic.gov.au](https://www.vic.gov.au/school-saving-bonus) (www.vic.gov.au). A step-by-step user guide will be available on the webpage on 26 November.

If you have not received your School Saving Bonus code via email by Friday 29 November, please contact the Department of Education by emailing school.saving.bonus@education.vic.gov.au

Lalor North Primary School Uniform

The purposes of the school uniform are to distinguish the school in public, build a school identity, help build an inclusive environment and to provide parents with cost effective and convenient clothing for school.

Lalor North Primary School has a compulsory school uniform. It must be worn at school, on excursions, at sporting activities and any other special occasions where students represent the school. It's important that every student feels comfortable and has a sense of belonging to our learning community while feeling pride about being a member of our school community each school day.
